BUNK REQUESTS

Individual requests for children to be together in the same bunk will be honored if they are the same age and requests are in our office before **June 1**. Second half campers must submit their requests before July 4th. (Full summer campers should only submit requests for first half. They will have an option to re-request for the second half once in camp). **ONCE THE BUNKS ARE MADE UP, ABSOLUTELY NO CHANGES WILL BE MADE.** Bunks are arranged according to grade. We will do everything possible to comply with your requests. However, there are other criteria which play a role in this decision. PLEASE DO NOT CALL THE OFFICE! Please list **only 2 choices** below and send them to our office immediately. **The boys listed below must also request your son.** We guarantee he will get at least **one** of his choices, if all of the above is followed. **If you write more than 2 names, we will only honor one of the names at the discretion of the camp administration and there will be no changes! YOU MUST USE THIS FORM.**
