10th GRADE JOBS - 2026

A CAMPER'S SLEEPAWAY APPLICATION MUST BE FILLED OUT AND RETURNED AS PER THE INSTRUCTIONS ON THE SLEEPAWAY APPLICATION. All Tenth Graders are part of the Mesivta Division of camp and are subject to all rules and regulations for campers.

There are several opportunities for work available to a limited number of applicants to help offset a portion of the camp tuition. These jobs could possibly take away from your afternoon activity program. Additionally, they may prevent you from participating in trips or other events that conflict with your job. You must be accepted to the Mesivta Division first as a camper, before being considered for a job. Only upon acceptance to the Mesivta Division will you be considered for a job. This will require an interview.

Applicants for 2nd trip can only be accepted for the Mesivta Division as a camper at this time and will only be considered for a job after all full summer and first half jobs have been filled.

The following are the job opportunities and the amount to deduct from the camp fee listed on the back of the Sleepaway Application. **The price does not include any trips that the Mesivta Division will take which must be paid for at the time of the trip. These trips are available to you only if they do not interfere with your job.**

Please see prices on back of the sleepaway application for Mesivta applicants.
